**Sector:**     Small Business     Not For Profit

**Small Business** is defined to be one which is resident in the State of New York, independently owned and operated, not dominant in its field and employs one hundred persons or less.

**Not-For-Profit** is defined to be a corporation formed exclusively for purpose or purposes, not for profit or financial gain, and where no part of the assets, income or profit is distributable to or benefits its members, directors or officers except as allowed by statute.

I, the Applicant, certify that I am authorized to act on behalf of the facility and that the information as part of this application, including Number of Employees and Sector are true to the best of my knowledge.

I, the Applicant, also certify that NYSERDA does not provide any endorsement of the Consultant's capabilities to provide services outside of the Green Jobs Green New York Energy Study to be conducted pursuant to this agreement. The Customer acknowledges that neither NYSERDA nor its consultant is responsible for assuring that the design; engineering or installation of any recommendation of the technical service is proper or complies with any particular laws (including patent laws), codes, or industry standards. Overall NYSERDA does not make any representations of any kind regarding the results to be achieved or the adequacy or safety of any recommendation. NYSERDA does not endorse, guarantee, or warrant any particular manufacturer or product, and NYSERDA provides no warranties, expressed or implied for any product of service.
